

Screams Rout Home Burglar

Mrs. Jackling Foils Early Morning Prowler

Keen ears of Mrs. Daniel C. Jackling, wife of the copper magnate, today were credited with foiling a robbery in her palatial summer home at Woodside early Sunday morning.

Mrs. Jackling was awakened by a slight noise, apparently the creaking of a floor board.

As she sat up in bed, she saw a shadowy figure near the entrance of her boudoir.

The matron screamed, and her husband, who had been sleeping in the next room, rushed in, just as the prowler fled.

Jackling returned to his room, seized a gun, and gave chase. But by the time he reached the ground floor, the burglar had escaped. Jackling then telephoned the sheriff's office here, and deputies were dispatched to the scene.

A checkup revealed that nothing had been disturbed. Mrs. Jackling's screams apparently having frightened the burglar immediately after he entered the home.

She could describe the intruder only as a man of small stature. Scattered fingerprints were the only clue to his identity.

APPEAR AT SEQUOIA SUNDAY

Shirley Temple, "darling of the screen," will appear in the film, "Poor Little Rich Girl," to be presented at the Sequoia Theatre starting Sunday for a three-day engagement. Supporting her in the cast are Michael Whalen, Alice Faye, Gloria Stewart and Jack Haley. "We Went to College," a laugh riot with Walter Abel and Edith Atwater, is the second offering.

Renew Friendship At Chance Meet After 15 Years

A chance meeting after an interval of 15 years has resulted in the renewal of an old friendship between two Redwood City residents who formerly had many associations in common when both were in Tampico, Mexico.

During the visit of C. H. Elstner to his cigar store here, Gordon Seely recognized his former friend when another friend addressed him by his nickname, "Ham."

The two men first became acquainted when Seely was acting as interpreter and translator for the Royal Dutch Shell Gas and Oil Company in Tampico and Elstner was in the brokerage business there and acting as an agent for several American corporations.

Both foreigners in the Latin American country, the two men were in the same social groups and belonged to several of the same clubs and organizations, among them the Tampico Tarpon Club in which they held honorary memberships, having each met the requisite of landing a 100-pound, five-foot long tarpon.

When Mrs. August J. Fromm, mother of Mrs. Seely, visited the Seelys in Mexico in 1924, Elstner joined in welcoming her, and both Seely and Elstner were on the reception committee which welcomed Lindbergh to Mexico City after his cross-Atlantic flight and were together during the Mexican revolution in which President Adolphe De la Huerta was overthrown.

Elstner is at present associated with Roy Bissell, local garageman.

Tax Proposal In Jeopardy

Single Tax Opponents In Initial Victory As Hearing Set

Charges that the initiative petitions for the proposed single tax amendment had not received sufficient signatures threatened today to block the measure from the November ballot.

The State Supreme Court issued a writ directing Secretary of State Frank C. Jordan either to refuse to certify the initiative measure to California's registrar of voters and county clerks, or to appear before the court September 1 to show why he should not obey the mandate.

Issuance of the writ, it was pointed out, will precipitate a showdown before the supreme court during which those who are anxious to impose on California landowners a single tax will be required to prove the validity of the petitions.

The court acted on the request of Mrs. Gertrude Clark, taxpayer of Sutter Creek, Amador county, who maintained the initiative petitions had not been signed by the required number of qualified voters.

The single tax measure is being presented to voters in connection with one to repeal the sales tax.

Speeders Hit By Fines Here

75-Mile Clip Brings \$25 Assessment To S.F. Man

Speeders, led by Clarence Phelps Dodge Jr. of the University Club, San Francisco, were fined a total of \$87.50 in Justice Edward I. McLaughlin's court Tuesday.

Dodge, who was cited July 25 doing 75 miles an hour on the Bayshore between Redwood City and East Palo Alto, paid \$25.

Jack O. Vort of San Pedro, arrested going 70 miles an hour, paid \$15; C. F. Raphael, San Francisco, \$10 for a 65-mile speed; J. B. Porter, San Francisco, \$10 for 63; Charles R. Agrusa, San Francisco, \$10 for driving without due caution; W. R. Beattie, Beverly Hills, \$5 for a 60-mile clip; and A. E. Snyder, San Mateo; A. W. Callaghan, Burlingame; A. W. Nuttman, Santa Clara; T. J. Sullivan, San Jose, and Walter L. Bachrodt, San Jose, each \$2.50 for lesser speeds.

Fiesta Space Demand Large

Commercial Exhibits Will Be Beyond Expectations

Demand for commercial space at the San Mateo County Products and Floral Fiesta which opens for four days at Bay Meadows race track starting October 8, has been beyond all expectations, it was revealed today by President Bruce Gibson, head of the fiesta commission.

"The business houses, firms and industrial concerns of the peninsula have been quick to realize the value of an exhibit at this year's show," said Gibson, "so, we are now concerned with finding additional space for the commercial exhibits that are yet to come in."

Another important development of the week pertaining to the fiesta is the announcement that there are now available at the fiesta headquarters, 116 B street, San Mateo, colorful envelope stamps depicting the fiesta as it will appear and announcing showing dates.

"These stamps may be had for the asking at headquarters," said Manager Martin Poss, "but we are limiting them to business houses and adult persons."

Meanwhile scores of pretty San Mateo county girls have begun sending in entries for the popularity contest which will send one of their number, the winner, to the Texas Centennial Exposition for a three-day visit and for a day stop over at Los Angeles where she will be the guest of movie studios.

There are no obligations in the contest. Entrants have only to mail their entry blanks to fiesta headquarters along with a glossy 8x10 photograph of themselves in a bathing suit.

RETIRED SALESMAN DIES

BURLINGAME, Aug. 4.—Claude D. Blace, 55, retired salesman, died Sunday at his Burlingame home. He is survived by his widow, Fanny, and by a sister, Mrs. H. E. Tickey of Texas. Blace's body will be sent to Houston, Tex., for burial after funeral services this evening at 7:30 o'clock at the William Crosby chapel here. He was a native of New York.

2d and Howard Station Urged

S. F. Rapid Transit Program Remains Uncertain

Insisting on inclusion of rapid transit for the peninsula in the San Francisco program, Supervisor Adolph Uhl Tuesday had proposed removal of the Southern Pacific depot from Third and Townsend street to Second and Howard streets.

Uhl, in a vigorous denunciation of the Cahill Market street subway plan, won agreement from the San Francisco Board of Supervisors that it will meet weekly until the rapid transit problem is solved.

The San Francisco supervisor, in proposing the uptown depot for the peninsula, pointed out that the Southern Pacific now has tracks laid to the Second and Howard street area.

Commuters then can make a choice whether they prefer to go to the peninsula or to the eastbay, Uhl said, as the San Mateo-Santa Clara county outlet will be just as convenient as the San Francisco-Oakland bay bridge.

Uhl asserted that once San Franciscans moved to the eastbay "they are positively lost to us," but, he pointed out, "if they move to the peninsula they remain San Franciscan-minded."

In the event the Southern Pacific would not consent to the new depot location, Uhl urged that San Francisco consider the purchase of the Market Street Railway, linking it with the municipal line, and offering at least the northend and mid-peninsula area high speed trolley service.

This service would be furnished in the proposed Market Street subway, then out Valencia street, through the Bernal cut, and emerging at Daly City and connecting with the Market Street line.

To lower peninsulars, this plan does not offer satisfactory service. Uhl attacked the \$52,000,000 Market street subway plan submitted by Manager of Utilities E. G. Cahill. He pointed out that it fails to accommodate the Market street lines, leaving them on the surface and offering them the cream of the short-haul traffic.

"That plan would just about wreck the municipal lines," he said.

Uhl supported the 1929 report of the late Engineer M. M. O'Shaughnessy for a four-track Market street subway, including unification of the two lines. He said the original O'Shaughnessy report provided a system costing about \$20,000,000.

San Francisco, he said, would approve a bond issue if a plan for coordination of the two services is provided, but would defeat the present \$52,000,000 program tending to hurt the municipal lines.

Uhl brought the transit study out of committee for consideration of the board as a whole because of delays and the fact that no plan has yet been devised acceptable to San Francisco.

Train Passenger Injured By Rock Hurlled By Boys

Two boys who allegedly hurled a rock through a speeding train just north of Redwood City Sunday supposedly inflicting serious injuries on a passenger were the objects of a search today by sheriff's deputies, state highway patrolmen and police of Redwood City and San Carlos.

A report of the incident was made to the sheriff at 4:30 p.m. Sunday. D. W. Brophy, chief dispatcher for the Southern Pacific, stationed at the San Francisco depot, telephoned that two youngsters had thrown a rock which struck a passenger, name of whom Brophy did not reveal, injuring him "severely."

An immediate search was begun for the boys, and was being continued this morning.

The injured man was believed treated in a San Francisco hospital, as local institutions had no record of such an accident, according to the sheriff's office.

The Metropolitan Opera in New York once was called the Faustspielhaus because it gave so many performances of Gounod's "Faust."

Chain Store Tax May Be Extended To Motor Dealer

California's automobile industry today received a jolt in the shape of notice that motor car dealers may be forced to pay the proposed chain store tax.

A United States Supreme Court decision holding the West Virginia chain store tax applicable to oil filling stations in that state, even though independently owned, was the basis for a friendly warning sent to 1100 members of the Northern California Motor Car Dealers' Association from the headquarters of the organization in San Francisco.

The chain store tax, passed by the last legislature and held up by referendum petitions, will appear on the November ballot. It has been dubbed the "50,000 per cent tax," because the tax of \$500 per store on all establishments operated in groups of ten or more would be 50,000 per cent higher than the \$1 tax on a single store. If applicable to motor car dealers and agencies, it is believed the \$500-a-year tax would affect the California selling prices of automobiles.

"It would be a serious blow to California's automobile industry if the chain store tax should be held to apply to motor car dealers," said J. E. Rodman of Fresno, president of the dealers' association, commenting on his organization's warning to its members.

Hatch Pledges Fight to Bring County Harmony

Restoration of harmony on the board of supervisors is one of the prime demands of the voting public, according to Alvin S. Hatch, candidate for supervisor from the Coastside district.

"Mutual respect, confidence, and cooperation are essential to the members of any county administration," Hatch declared today. "The good of the county of the whole must be made the primary consideration."

"County employees have nothing to fear from me. Every man who is doing a full day's work for a full day's pay will be kept on the job."

"The political job-holder whose only claim to a county pay check is his electioneering ability, must go. So long as the county must furnish unemployment relief funds, old-age pension funds, and social service to hundreds of needy persons, the taxpayer cannot afford the luxury of a payroll padded for patronage purposes."

That Hatch's campaign is gaining ground steadily was attested this week by leaders in all parts of the county.

MARK CASNER PASSES AWAY OF INJURIES

S. F. Auto Accident Hurts Take Life Of R. C. Man

After being in a coma for 24 hours, Mark Casner of Redwood City, 60-year-old owner of a San Francisco collection agency, died Wednesday at a San Francisco hospital from injuries he received Friday when he was struck by an automobile and knocked into the path of a street car.

Death came at 4 o'clock after six days' suffering from a fractured left leg and arm, six broken ribs and other injuries. His wife, Carrie, was at his bedside when the end came.

Funeral services will be held at 1 p. m. Friday from the Halsted mortuary, 1123 Sutter street, San Francisco. The Pacific lodge of Masons, of which Mr. Casner was a member, will conduct the rites.

Mr. Casner is also survived by two brothers, Gus and Samuel, both of San Francisco. His sister, Mrs. Julie Klunger of San Francisco died a year ago. Mr. Casner is the brother in law of Mrs. W. E. LaDieu of Redwood City. He was a native of San Bernardino.

Burial will be in Salem Cemetery.

The Casner's Redwood City home is at Upland drive and Brewster. His collection business included accounts for the Nathan Dohman Supply Company and other large firms.

The Boston Symphony Orchestra is engaged upon one of the longest seasons ever played by an American orchestra. It has played every month since September, 1935, and will continue the record until August, 1937.

\$10,000 SUIT OVER DUSEL INSURANCE WILL TEST LAW

A suit which may prove to be a test of California insurance laws was filed in superior court today by Mrs. Nettie M. Dusel, seeking \$10,000 in insurance which her late husband, William J. Dusel, former Redwood City mayor, had carried for 18 years only to allow it to lapse a month before his sudden death while on a vacation trip July 25, 1935.

According to the complaint, the late Mr. Dusel contracted for two \$5000 policies on March 29, 1917, in San Francisco with the Massachusetts Mutual Life Insurance Company, named as defendant.

Throughout the ensuing years, Dusel kept up the payments, but failed to make them on June 18 preceding his death, Mrs. Dusel states.

However, the cash surrender value with accrued dividends would cause the insurance to continue in force as non-participating or "extended term" insurance past the period intervening before her husband's death, Mrs. Dusel contends, citing section 450 of the state civil code.

Her attorney, John E. Manders, who filed the action, declared that although the insurance policies themselves did not contain such a

provision, state law would assure such a continuance.

Manders said the insurance firm had offered to pay Mrs. Dusel the "cash surrender value" of the policies—an amount far less than their face value—and that in numerous other cases of which he has heard, widows have accepted such settlements.

"But under California law, if a default occurs, the insurance should be carried on as non-participating insurance for a certain length of time," Manders explained. "The time in this case had not expired before Mr. Dusel's death."

Manders saw his case as one which would test the provision of state law referring to similar cases.

Menlo Park Woman's Kin Dies in South

MENLO PARK, Aug. 5.—Funeral services for Dr. H. O. F. Menton, 60, brother of Mrs. J. H. Sullivan of Menlo Park, were held at Santa Clara this morning, with burial following in the cemetery there.

Dr. Menton, who had practiced in San Jose for a quarter of a century, took ill in Hollywood where he had gone four months ago and died there Sunday night. Dr. Menton was a graduate of Santa Clara University and the University of California. In the former institution he played rugby and baseball.

Besides the local relative, Dr. Menton leaves his wife, Marsha, and two brothers, Hugh and Percy, both of San Francisco.

Reno Widow Reports Theft of Jewelry

PALO ALTO, Aug. 5.—Mrs. Ella Neil, Reno widow, asked police today to locate George K. Stone of Livermore, whom she suspected of disappearing with a \$3,000 diamond ring, a less expensive sapphire ring, and \$100 in cash.

Mrs. Neil told police she met Stone on a Spokane-bound bus recently and came here a week ago with him with the understanding that they were to be married. She said she awoke ill, suspected she had been drugged, and found Stone missing.

Philip E. Brand Is Laid to Rest At Santa Rosa

After funeral services attended here Tuesday by more than 200 persons, Philip Edmond Brand, 54, Redwood City plumber for more than a quarter of a century, was taken for burial to Santa Rosa.

The body was escorted to El Camino Real by a squad of 16 uniformed firemen and by police.

Rev. Schuyler Pratt officiated as chaplain at the rites, which were conducted by local Masons with Walter Hilton as master. Rev. Pratt accompanied the body to Santa Rosa where Ralph Moser, master of the Santa Rosa Masons, conducted commitment services.

Motorcycle Officer Henry Mengel of the Redwood City police escorted the hearse to Santa Rosa. Pallbearers at the funeral at the Masonic Hall, under the charge of Layne & Tinney, were George Bagley, Charles Stiles, H. P. Hansen, George McNulty, Harry Potts and Ed Gould.

Mr. Brand was active in the fire department up to the beginning of the illness which extended over a period of three months and resulted in his death Sunday. He was a member of the board of directors of the Veteran Firemen's Association at the time of his death.

Burlingame Better's Parking Conditions

BURLINGAME, Aug. 5.—Action to better parking conditions in the Burlingame business district was taken here by the city council. Three parking lots were rented by the city and an ordinance approved which will cut the parking limit in the business district from two hours to one.

Other business before the council included decision to send Councilman Allan Hunt to Sacramento to hurry securing of funds for the widening of Oak Grove avenue. Revision of the plumbing and electrical ordinances, reducing permit fees, was passed for the first reading.

P. A. Slot Machines Seized Over Protest

PALO ALTO, Aug. 3.—"If my competitors can have slot machines, I don't see why I can't." This was the complaint today of Mrs. Mabel Plantz, operator of a cafe just inside the Palo Alto city limits at Embarcadero and the Bayshore highway.

Three slot machines and five punchboards were confiscated by Palo Alto police in her cafe this morning. They were put there, according to Mrs. Plantz, because repeated protests to Sheriff George Lyle that her competitors outside the city limits had slot machines brought no action.

August 31 Marks End of Vacation For Local Pupils

A few county children are back at their school desks today, but most of them will return to school work August 31, it was announced today by the office of County Superintendent of Schools Pansy Jewett Abbott.

All schools in the Sequoia district will open August 31, including the high school, city elementary schools, Belmont, San Carlos, Menlo Park, Ravenswood, Portola and Las Lomas. San Mateo elementary schools, high school and San Mateo Junior College will open this same date, as will Burlingame high school and Millbrae elementary.

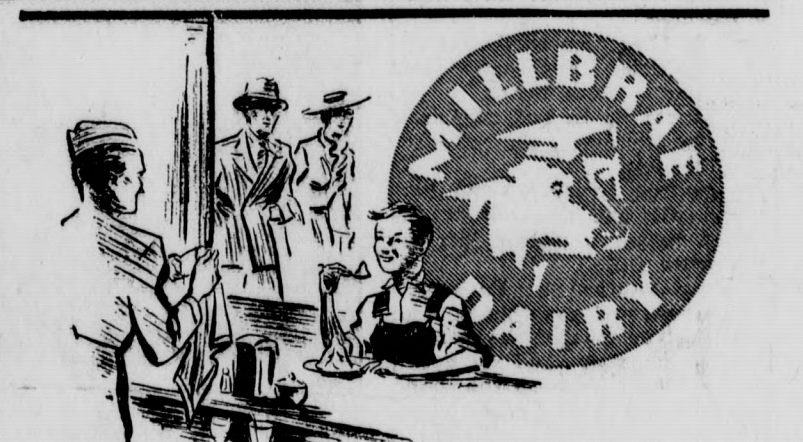

Alpine school, Alpine ridge, opened August 3. Higgins school, near Half Moon Bay, will open Monday, and two weeks later, August 24, schools of the Jefferson high school district, including Jefferson high and elementary schools, San Bruno, San Pedro and Rockaway Beach, will convene. South San Francisco schools will also open August 24.

Labor Council Backs Four in Primaries

SAN MATEO, Aug. 5.—Endorsement of four candidates in the August primaries was voted last night by the San Mateo County Central Labor Council. Meeting in San Mateo, the council approved President Roosevelt, Congressman John J. McGrath and Superior Judge Aylett R. Cotton for reelection, and lent its backing to Carl A. Anderson for state senator, it was announced by A. H. Randall, council president. Further endorsements will be made at later meetings, Randall said.

International Romance Ends In Marriage

BURLINGAME, Aug. 5. Following their marriage here last night when consummated an international romance, Dr. and Mrs. Walter S. Parsons were planning to go East today for a visit before making a trip to Europe and then Shanghai, where they will live.

The couple were wed at the home of Warren I. Hellman III, president of a San Francisco bank, by the Rev. Gordon Albert McCrane, pastor of the Cavalry Presbyterian Church, San Francisco.

Mrs. Hellman and Mrs. Parsons were childhood friends.

Mrs. Parsons was the former Sarah Sanders Jones of Raleigh, N. C. She came to San Mateo county to marry Dr. Parsons, who came from Shanghai, where he had a private practice for 16 years. Mrs. Parsons is the daughter of the late Attorney and Mrs. William Marsh Sanders of Smithfield, N. C. She is a member of the Junior League of America at Raleigh.

In securing their marriage license here, Mrs. Parsons gave her age as 36; Dr. Parsons, 40.

Wind Blows Flames Across Wide Road

A brisk wind was blamed Monday for one fire which the county department extinguished Monday afternoon, while the same breeze caused another blaze to jump a highway and rage over more than 10 acres of pastureland.

Firemen were called first to land of the Millbrae Dairy, where San Bruno and Millbrae departments were unable to halt the blaze, origin of which is unknown. During the fire, glowing embers blew across the San Bruno-Mills Field lateral, spreading the fire to the other side.

Returning to Redwood City, firemen discovered a blaze near the H. Danz slaughterhouse at San Mateo which had gotten into grass when burning rubbish was wafted by the wind.

Neither blaze did material damage.

Not Guilty Pleas Entered By Four After Shooting

Four San Franciscans accused of violating the county's anti-drunk ordinance as the result of a Sunday night affray at a Kings mountain inn which ended only when a fifth man was shot, entered pleas of not guilty when they appeared on Tuesday before Justice of the Peace Edward I. McAuliffe.

Appearing with the four, Attorney P. W. Jackson explained that the pleas were entered "to give me some time to find out what this is all about."

Judge McAuliffe set Monday at 2:30 p.m. as time for trial of the quartet, who are Andy Pedersen, 35, stevedore; Arthur Anderson, 39, carpenter; Ernest Waage, 33, bartender; and Alf Granum, 33, bridge worker.

James Engstrom, 35, San Bruno, suffering from a gunshot wound in the leg, is still in Mills Memorial Hospital. No charges have been placed against him nor have charges been lodged against George W. Alpers, proprietor of the tavern, who fired the shot. He explained to Dep. Dist. Atty. Louis B. Dematteis that he shot in self defense and after repeated warnings. Alpers said the men broke into a room in which he had offered refuge to other customers the quintet had allegedly been annoying.

McDONALD III'S WIFE RENEWS COURT ACTION FOR SUPPORT

The marital difficulties of James McDonald III, Hillsborough section, and his wife, Alecia, will be before the courts for a second time. Mrs. McDonald asks \$500 monthly for the support of herself and daughter, with the addition of \$122 for costs of briefs and \$1275 for medical costs. The new action was brought through Attorneys C. Harold Caulfield and Edward Keil of San Francisco.

Young McDonald is the son of James McDonald II, who recently died of asphyxiation in Boise, Ida., and is a grandson of James McDonald. The latter was associated with the Stanford Oil Company. The grandson will be beneficiary of a trust fund amounting to \$1,000,000 when he reaches the age of 30 years.

Sequoia Fire Drill Planned By Firemen

All that will be lacking will be the flames. Chief Mark Ryan said today, in the drill which the city fire department will carry out Tuesday, August 18, at Sequoia Union High School.

Chief Ryan said that hoses will be used, ladders erected, and "all the motions made" for extinguishing a fire at the school. The "alarm" will be given shortly after 7 o'clock.

Such drills will be carried out at schools and various Redwood City industrial plants once a month, Ryan said.

Natural Gas Heating

More for your dollar

It costs so little with the NEW REDUCED RATES

The complete service of Natural Gas for house heating, automatic water heating and cooking is now priced well within the means of the average home. The recently announced Reduced Gas Rates, in full effect right now, are real bargain rates.

When you install modern gas heating in your home this month, for example, these new bargain rates make the operating cost surprisingly low. These rates likewise apply to all the gas you burn —

for cooking and water heating as well as house heating.

When Natural Gas heats your home you simply turn over all heating cares to dependable equipment which never suffers a lapse of memory or neglects its duty. And the clean hot fuel will help save you money in re-decorating and cleaning costs of woodwork, wall paper and furnishings.

Reduction of Gas Rates is important to you. Find how little it will cost to heat your home with Natural Gas.

Start of work on a county office building "before Christmas" was foreseen today by County Engineer U. S. Marshall and County Manager Walter Kellogg, providing plans are pushed for the structure.

With county officials apparently agreed that an office building instead of a courthouse wing is the logical structure to consider at this time, a search was being made for plans prepared two years ago for such a structure.

It was hoped the same plans could be used, with modification, for the present proposed building, but they have not been located in county files.

It was believed they have been returned to a private architect, and Marshall was endeavoring to locate them.

COULD SELL IT LATER

Marshall, who believes a three-story office building could be constructed on the present site of the fire warden's and agricultural commissioners' offices for about \$100,000, pointed out that if within a few years it should be desired to rebuild the courthouse or add an annex to it, the office building could be sold for a substantial sum.

Giles B. Johnson was negotiating for possible purchase of a parcel of ground on Marshall street adjacent to the site proposed for the office building so that the structure could be built on the present county-owned lot and the new one. On both lots, it was expected, federal funds in the amount of 45 per cent of the value would be secured under a PWA grant, which also will be sought for the office building proper.

Marshall and Kellogg plan to recommend Monday to the supervisors that they use the \$50,000 they have put in the new budget for a courthouse structure, towards the office building, Kellogg said.

FAVORS ADDITION

The manager stated that while he "favored" the courthouse addition, it is out of the question if we contemplate building in the near future." He pointed out that

it would take some four years or more to accumulate sufficient funds for such a structure unless a bond issue were resorted to. PWA funds for an office building can be obtained, it is believed, if speed is made in preparation of an application. Final decision on the matter will rest with the supervisors.

Enlarged Thymus Baby's Death Cause

DAILY CITY, Aug. 3.—An enlarged thymus gland, not suffocation in its bedclothes, caused the death Friday night of Kenneth Morgan, 9-week-old son of Mr.

and Mrs. Douglas Morgan, an autopsy made over the week-end revealed. The baby was found unconscious in its bed by its aunt, Miss Alice Fitzpatrick. The mother, who is 28, was in a San Francisco hospital, confined there since birth of the infant.

CHILDREN WIN ROOM AT LIBRARY

\$2000 Appropriated
For Facilities
By Council

Provision of a children's room at the city library by utilizing the basement is provided for today in a \$2,000 additional budget item which the city council last night approved at the request of Mrs. A. S. Kalenborn, library trustee. The \$2,000 item, which brings the 1936-37 library expenditures to \$3,400 greater than a year ago, will give the library a total budget of \$15,000. Mrs. Kalenborn informed the council that the extra amount will make possible \$600 worth of alterations and \$400 worth of furnishings, and will give \$1,000 for clerical assistance, so that Librarian

Wilhelmina Harper will be able to open the institution earlier each day, as well as providing for the children's hours, 3 to 6 daily and 7 to 8 nightly. The library trustees, Mrs. Kalenborn explained, were reluctant to make provision for the extra space needed out of the \$13,000 budget as the library already is working with less than the standard staff for the circulation experienced, and has fewer books than necessary to meet the community's demands. Circulation last year at the library was 123,263 books, a 100 per cent increase in six years. This circulation was handled by a staff of four persons instead of the standard of six for that amount, Mrs. Kalenborn said. Redwood City also should offer additional books, she said, the 30,000 here comparing with 40,000 in Burlingame and San Mateo, and 60,000 in Palo Alto. She expressed the hope that Redwood City would in the near future find it possible to provide the desired new building. Councilman James Eva moved, Councilman Evans Fletcher seconded, that the extra \$2,000 be

\$141,125 Payments In Hog Program

San Mateo county has received \$141,125 in rental and benefit payments in three years since the creation of the Agricultural Adjustment Administration. It was announced by Donald Renshaw, state director for California, the National Emergency Council. This entire amount was for the corn-hogs program. It was also revealed that for the entire state, \$14,629,397 have been received. Of the total state rental and benefit payments, cotton aggregated \$3,112,979.67; wheat \$3,122,318.29; corn-hogs \$2,469,644.49; sugar \$4,191,639.99; rice \$1,721,814.

George Barbier is a champion "rich girl's father" in his movie roles. placed in the 1936-37 budget if state approval can be had to exceed the 5 per cent limitation, if necessary. This may be necessary if the city undertakes the 5 cents per \$100 WPA program now proposed.

Atkinson Firm Tells Of 14 Sales in Area

Fourteen sales were recorded by the Atkinson Realty Service for July, it was announced today, and were as follows: Mr. and Mrs. D. Even if you have never entered a contest you will want to be in this new one! No special purchase is necessary. And you do not have to be "literary" to win the \$500.00 first prize or one of the 309 other cash awards!

All residents of California are eligible—except employees (and their families) of chain stores and their advertising agencies.

Just two points to remember. Your entry must be postmarked before midnight, August 31, 1936—and must be written on the Official Entry Blank.

Get yours free at any California chain store. Read the valuable suggestions. Follow the simple rules. And be sure to mail your entry early.

START NOW BY READING THESE SUGGESTIONS

1. Chain Stores Help California Consumers by lowering the cost of living and thus raising the standard of living.
2. Chain Stores Help California Farmers by lowering the cost of distributing farm products and thus widening the market for them.
3. Chain Stores Help California Manufacturers by keeping prices low and thus increasing the demand.
4. Chain Stores Help California Employment by giving 44,000 people better wages, greater opportunities.
5. Chain Stores Help California Communities by building up the smaller shopping centers, thus attracting trade for local merchants. They pay higher rents and taxes.

Port Hearing Is Adjourned

President of Board Clears Merriam Of Charges

The special investigation by a senate committee of harbor conditions at San Francisco stood adjourned for a month today after P. W. Meherin, president of the San Francisco Harbor Board had instructed him to boost the port charges on the waterfront "so that community owned ports could compete with the state owned San Francisco harbor."

The charge against the governor is "unjust and untrue." Meherin's denial followed similar statements from Mark H. Gates, secretary of the harbor board. Gates told the senators of a conference June 18 at which, he said, the San Francisco board refused to support a movement for higher tolls. Port commissioners from San Diego, Long Beach, Los Angeles, Oakland and Stockton were present, Gates said.

Meherin yesterday denied he had obtained any advantage over competitors in the insurance business in the matter of writing maritime insurance by his own firm.

That the state harbor board owns approximately 450 acres of waterfront land, a part of which is under water, which might provide cheap factory sites was developed in testimony given before the committee.

Testimony also was given to show the need for an appropriation for advertising the port and for the solicitation of dockage business by the board.

Discussion of the state owned refrigeration terminal was renewed before the committee by Secretary Gates.

Gates contradicted testimony given by John E. Pickett, publisher, that loss of ferry business after completion of the bay bridge would cost the harbor board \$500,000 a year in building revenues.

"The ferry building brings in about \$200,000 a year net," Gates said, "and I am not willing to say all the ferry revenue will be lost, though the bridge will undoubtedly make a difference."

Russell Plans Thorough Probe Into Hospital

Dr. John P. Russell, acting director of health during absence of Dr. Charles C. Gans on vacation, today began a "thorough investigation" of conditions in Community Hospital's tuberculosis ward where Miss Meta Kugeler of Menlo Park asserted unsanitary conditions and dissatisfaction prevail.

Asserting that he personally would "make a very thorough investigation and report at 10 a.m. Monday to the board of supervisors," Dr. Russell, who is from Menlo Park, declared he intended to get to the bottom of the case.

He was assigned to conduct the inquiry by County Manager Walter Kellogg after it had been ordered by the supervisors Monday upon insistence of Miss Kugeler and Supervisor Albert Witt that many of the 42 patients in the unit are mistreated.

Dr. William K. Knorr, medical officer in charge, declared, however, that the charges were "bunk," and that the physicians at the hospital "are getting fed up

Beretta, Optical Firm Owner, Dies Suddenly

SAN MATEO, Aug. 5.—Funeral services for Caesar Beretta, who dropped dead in his San Francisco office late yesterday, were being arranged today by the Martin & Brown parlors, San Francisco. Beretta, member of the Beretta & Weaver Optical Company, died of a heart attack in his office at 210 Post street. He lived at 121 Sycamore avenue, San Mateo. He was the husband of Lila E. Beretta, father of Louis W. Beretta and uncle of Lisle McKim.

on politicians playing politics with the institution."

He accused Miss Kugeler, middle-aged Menlo Park social worker, of being a "trouble-maker," and asserted that the entire matter had been looked into several months ago by a commission named by Dr. Alan Benner, hospital superintendent.

"The commission recommended that Miss Kugeler be kept out of the tubercular pavilion," Dr. Knorr said. He charged that Miss Kugeler held a personal grievance against Miss Christine L. Kinnear, nurse in charge.

MENLO PARK NEWS

Chief Thomas Cuff of the Menlo Park Fire Department will return from Ontario, Canada, tomorrow. Mr. Cuff attended the international convention of fire chiefs. The chief is a native of Ontario and while there viewed the scenes of his boyhood.

Bobbie Fredericks left Monday for Evansville, Ind., to visit relatives. From there he will go to Buffalo and other eastern cities. He will return by way of Yellowstone Park, where the young man will spend a few days.

Mrs. Patrick Kearney and her son, Thomas Kearney, departed Wednesday for Dubuque, Iowa, to visit Sister Mary Catherine Patricia, a teacher in the convent of the Blessed Virgin there. It is a teaching order with branches in all parts of the country. Sister Patricia before she entered the religious life was Miss Julia Kearney. She taught in the local school department for a few years. She is the only daughter of Mr. and Mrs. Patrick Kearney of Menlo Park.

Dr. H. O. S. Menton, brother of Mrs. J. H. Sullivan of Menlo Park, passed away at Hollywood Monday. He had practiced dentistry at Santa Clara for many years but recently moved to Hollywood. The remains will be interred at Santa Clara, where the deceased spent his youth.

Al Witt and Manuel Francis have rented the Derry building for headquarters. It is in charge of Mr. Moore, a retired attorney and newspaperman. Mr. Witt is a candidate for supervisor from the first township while Francis is a candidate from the fourth township.

Joe Veever, the local station agent, has gone to Alaska to spend a portion of his vacation. He richly deserves a short respite from his arduous labors.

Mr. and Mrs. Howard Peterson and their son, Howard Jr., of North Berge, New Jersey, visited their friends, Mr. and Mrs. W. H. Weeden and family Monday.

During the war Mr. Peterson was with the 13th Infantry which was stationed here at Camp Fremont and has not been here since returning from France at the conclusion of the war 18 years ago.

Mrs. Joseph Lovrich and Mrs. Isabelle Weeden Lindquist will have charge of the regular monthly card party Monday, August 10, at Masonic Hall. Score cards will be 25 cents. The party will begin at 8:15 p.m.

Mrs. Dora Devol, Mrs. Ethel French and Mrs. Elizabeth Lyon

Work on Third Fire Suppression Station Starts Next Monday on Gazos Basin Road

Grading and cleanup work for construction of the county's third fire suppression station will be started Monday, County Fire Warden Bert L. Werder revealed today.

Already surveyors are determining boundary lines of the acre of property for the station, which will be located on the Gazos Basin road at Sandy Point, almost to the south county line.

The land has been bought from George Kottley Sr., Werder said, the state putting up the money for the purchase.

The state also, through its park department and division of forestry, will pay all costs in connection with the station, and will maintain a crew of 10 men there, but the

unit will be under direct control of San Mateo county's forestry department, headed by Werder. Title to the site also will be in the county's name.

Material lists are now out for bids, Werder said. He anticipated that start of construction would follow immediately upon preparation of the site. Completion is due by January 1, but in the meantime the workers engaged on the project will be available as a fire crew, the warden said.

Already stations have been completed at Saratoga Summit and La Honda, with one more due in the Pescadero-San Gregorio area.

Modern fire trucks have been received for use at the completed stations, the second one, "No. 4" in

the bureau's list, having been received from the Oakdale builder yesterday. Both the new vehicles are being equipped and broken in at the local station at Middlefield road and Marshall streets, but will be sent to the mountain stations soon.

A further addition to the bureau's equipment has also been received. It is a new Buick coupe for Warden Werder, replacing a 5-year-old roadster which was traded in on the new machine.

Meanwhile, the department continues to suppress grass fires, two taking firemen out late yesterday. One, at 9:25 p.m., appeared to have been set. It was at Highland avenue near Glenwood, in the Emerald Lake district, and burned over an acre of grass.

Firemen expressed belief the same phantom "fire bug" responsible for more than a dozen other evening fires in the lake area had set the blaze.

The other conflagration was near Millbrae. It also burned about an acre of grass before being extinguished by the local, Millbrae and San Francisco Water Company's equipment. The blaze started when burners lost control of a fire. Serious damage was averted in either case.

Belmont Firemen Win Gold Stars In Long Service

BELMONT, Aug. 5.—Ten members of the Belmont Fire Department have in their possession today a gold star, earned for 10 years of active service in the local department.

Fire Chief William Neilson made the presentation last evening at the regular monthly meeting of the department. The insignia is to be worn on the sleeve of the uniform. The men receiving their gold stars were Assistant Fire Chief Fred Johnson Jr., Capt. John M. Marston, Edward and George LeGarde, M. J. McDonough, Melvin Johnson, Bertrand Johnson, Erwin Hansen, R. G. Kelly and Roussel Smith.

Capt. A. T. Hasbrouck was authorized to address a communication to Dr. Will Rebec, Twin Pines Sanitarium, thanking him and the other sanitariums for donation of a pool table for the recreation room of the new firehouse. A letter of thanks was also sent to H. Guthridge, Bayview Heights realtor, for donation of a desk.

Fred Johnson Jr., chairman of the annual dance at Belle Mont Country Club September 19, reported progress, and plans for the formal opening of the new fire building on August 28 were talked over. The department has completed its membership quota of 75 men, it was reported.

Two San Mateo Sisters Battle To Win Estate

Two San Mateo women, sisters, today became locked in a court struggle over administration of the estate of their father, Martin Creaven, who died July 12.

In an action filed through Atty. Bernard P. Sharon, Mrs. Mary Jeremland, who is 48, today sought letters of administration of the estate, which has a total value of less than \$5,000.

Last week her sister, Mrs. Margaret Darcy, who is 52, petitioned through Atty. F. E. Hoffmann for the letters.

Mrs. Darcy at that time asserted that her sister and brother, Robert, who is 45 and also lives in San Mateo, "refused to co-operate" in the settling of the estate, but Mrs. Jeremland in her petition denies the allegation.

OFFICER'S MOTHER DIES

BURLINGAME, Aug. 4.—Funeral services were being arranged today at the William Crosby parlors for Mrs. Christina Theuer, 63, mother of Police Serg. Rudolph C. ("Jack") Theuer of the local department. She died yesterday at her home in Santa Clara. She leaves her husband, Rudolph, and a daughter, Rose, of San Francisco.

"Sir Galahad," champion broad-jumping horse, is appearing in the new Marion Talley movie.

Bequest of \$5 To One Brother; Estate to Other

Karl Prusa, San Mateo tailor who died July 24 at the age of 47, left his Palo Alto brother and family a total of \$16, bequeathing the rest of his property, valued at about \$5,000 to a brother in Ceres.

This was disclosed today as Henry F. Honerlah petitioned superior court for probate of the Prusa will.

To Anton Prusa of 602 University avenue, Palo Alto, the tailor, who maintained a shop at 363 B street, San Mateo, bequeathed \$5. A like amount was willed to the Palo Alto man's wife, Stella, and \$2 each to their three children, Josephine, 21; Stella, 18, and Nettie, 17.

The remainder of the estate goes to Joseph Prusa, 59, of route 1, box 1178, Ceres.

Menu Flashes by Joan Andrews

It's high time we declared a dividend in appetite appeal and cut one of the several varieties of melon that are displayed so temptingly everywhere. Start your day with a melon slice—or serve a melon salad with French dressing for lunch—or a mixed melon ball fruit cup for dinner. A little preserved ginger, chopped up, gives added piquancy to a melon salad or fruit cup.

A perfect summer luncheon is a combination of fresh fruit salad, bread and butter sandwiches and a big glass of Golden State buttermilk. You'll like Golden State buttermilk—it's so deliciously refreshing, with that real, fresh-from-the-churn flavor. You can see the little, golden chunks of butter all through it too. When you buy buttermilk, be sure it's Golden State.
